Public meeting

The Town of Cupar will be holding a Public Meeting on April 28th at 7 pm at the Cupar Town Hall.

This will be our Bi-annual meeting.

St Paul Lutheran Church

by Diane Dennis

We hope everyone had a Blessed Easter! Thanks to all our cooks and bakers for all the dining we did at the church this past month! Our schedule (and bellies!) will be a little lighter this month.

The Ladies' Quilting group will still meet on April 4 & 18 at 7 pm to finish up some projects. Anyone is welcome to come sew, iron, pin or just visit! The Ladies' Bible Study (LWMLC) will meet Mon April 11 @ 7:30 pm.

Playschool continues to meet this month in our basement on Wednesdays.

We will be fixing up our front flower bed and trying to make it into a "Faith Garden." We are asking our members (or even community members are welcome) to donate an inspirational stepping stone or solar light to be placed amongst the plants.

Our Worship Services are at 9 am on the 1st, 3rd, 5th Sunday of the month; 11 am with Holy Communion on the 2nd and 4th Sunday of the month. Any inquiries can be made to the church office at 723-4899.

Bifocals are God's way of saying, "Keep your chin up."

Cupar Public Library

by Diane Dennis

Thank you to Cupar Playschool for the visits on March 23 – the Easter Bunny was pleased to stop by and leave them a treat! We have been pleased to give free baby books to our newest residents! If you have a baby, please let us know!

Our librarian Ann Lucas has been busy cleaning out older, unused teen books, and making more space on the shelves.

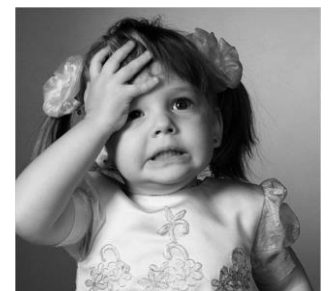

We will be having a board/planning meeting at the library on Thursday, April 21 @ 6:30 pm. All interested persons are welcome to attend, or leave an idea with us!

Customer: I am looking for a globe of the earth.

Librarian: We have a table-top model over here.

Customer: No, that's not good enough. Don't you have a life-size?

Librarian: [pauses] Yes, but it's in use right now.'

GARBAGE/RECYCLE BINS

Please protect me!

Many of the grey/blue bins are being mistreated and left out on the street where they get hit or the wind damages them. PLEASE protect your bins and get them off the street and onto your property where they are safe from getting hit and tossed around. Any damage done by neglect may result in you having to replace the bin at your own cost.

Grey Garbage Bin

This spring we implement the recycle bags for grass clippings and leaves. IF you do not use recycle bags we ask that you dispose of your bags in your grey bins.

Cupar Lion's - AG Supper

by Wanda

The Cupar Lion's Club is hosting their Annual AG Supper Night.

This is guaranteed to be a great night as it always is when the Cupar Lion's puts on a night of great food, wonderful entertainment and a great night of fundraising. Make sure you don't miss out and get your ticket!

They have a comedian for the night as well as a great auction that has some wonderful items that you may REALLY want! Get out there and have some fun while donating. The Cupar Lion's Club supports so many local groups that you are guaranteed to see your money being put to good use all around our community.

For tickets contact any Lion's Member and they can surely help you out.

A good laugh recharges your battery

I wonder if Superman ever put glasses on Lois Lane's dog and she was like, "I've never seen this dog before. Is this a new dog?"

Street sweeping and Spring cleaning

Street sweeping will be beginning soon as spring is here! As we are sweeping we are asking that you try to keep your vehicles or bins off the street so we can have a clear route to clean things up.

As yards are being cleaned please use biodegradable bags for anything you want to be picked up by Town Maintenance. Any bags that are not biodegradable will be left for the home owner to deal with. You can then either place them in your grey bin or take them out to the transfer site when it opens. If you take them to the transfer site, you may be required to split and empty them in the appropriate location.

Branches and twigs are only picked up twice a year so please make sure they are bundled and placed where the tractor can access them easily but not on the roadway in the way of traffic.

Around the Town

by Wanda

Pet licenses were and are due for the 2016 year. Please make sure you get your furry family member licensed and registered.

Waking Up is Hard to Do

I feel like I would enjoy getting out of bed more if I had to do it only three times a week. This every-day thing is overkill.

Pay your Taxes & Utilities Online

Utilities and Taxes

Utility bills are due at the end of each billing month they are issued. Meters are now read every 2 months so it is easier to pay for any overages that may occur.

Taxes for the 2015 year are now overdue and payment is required. If you have not made arrangements, please contact the office and do so as the new taxes will be out before you know it.

We accept cash and cheque at the office and online payments with your bank.
