AUGUST 2017

## Happy Summer!

By Town of Cupar

The Town of Cupar would like to thank all of the volunteers and groups who participated in the Canada 150 Celebrations. Events like these hosted in our community are very beneficial to our small groups and organizations for fundraising.

### DID YOU KNOW.....

Regina is home to the world's longest bridge over the shortest span of water. The Albert Street or Albert Memorial Bridge, built in 1903, crossed tiny little Wascana Creek and spans an incredible 850 feet. The creek is only a few feet wide.

If you are like many people, you think hot dogs and hamburgers taste better with mustard. Chances are good that the mustard you use comes from Saskatchewan. Since the 1950s the area has been responsible for up to 75 percent of all mustard grown in Canada, producing over 150,000 tons in 2010.

The first automated teller machine in Canada was developed by Saskatchewan credit unions in 1977 and first went into service at two Sherwood Credit Union branches (now Conexus Credit Union) in Regina

Please be advised that Cupar Town Office will be closed on Monday, August 7<sup>th</sup>, 2017 for the Civic Holiday.

# ST. PAUL LUTHERAN CHURCH

BY DIANE DENNIS

Thank- you to all our parade float's volunteers and flower-plant-'ers'! Thank you to Terry Lipinski for the truck and trailer, and could you hear his wife Debby playing the keyboard? Thank you to our volunteers who were on the float.

We had about 42 people attend the cemetery service and bbq. Thank you to our FaithLife group for the lunch! Things are a little quieter but we still keep busy volunteering for the Shalom Bingo and chapel times, helping at Camp Lutherland, as well as doing things around the church and yard.

Worship service times are: 1st/3rd/5th Sundays at 9 am; 2nd/4th Sundays at 11 am with Holy Communion. For any office inquiries, call 723-4899. You are welcome any time!

# CUPAR PUBLIC LIBRARY

BY DIANE DENNIS

Thank you to our board's volunteers and helpers for decorating our "Beatrice the Bookworm" parade float, and to the helpers who were in it! What a great parade and day to celebrate Canada's 150th! We had 3 out of 4 Rakai family members/generations in the front seat of the vehicle...what an awesome experience!

Thank you to the Legion's volunteers, and especially Larry Wagner and Allen Bonish, for beautifying the Legion Park with a new sidewalk and installing the benches we purchased for the Legion. If anyone has unused cushions, we will accept them for the benches and store them in the building.

We have a new sign from Parkland Regional Headquarters. We are subscribing to the Mayo Clinic's health newsletters and the Fort Times, so you are welcome to borrow these items, or just browse through them on a visit to the library! Thank you to the Museum for the kind donation of First Nation books.

There is still lots of time to register for our Summer Reading Program, where kids ages 3-16 sign up to record their reading for the summer and return the logbook between Aug 18-Sept 1. Upon completion, they will be rewarded with a \$5 gift certificate for High Plains Restaurant. Thank-you, parents, for your support! Parents of newborns are welcome to come in and you receive a baby book gift from us!

Mark your calendar for the following dates: Fri Sept 29 – "Argentina"; Fri Oct 27 – "Australia"; Fri Nov 24 – "New Zealand". Silvia Virgilio will take us on a "Round the World from A-Z" presentation/tour with facts and food! This is free for the public and all presentations start at 7 pm. Bring a friend.

**Cash Payment required onsite**

## BYLAW OFFICER

Please be aware that beginning soon there will be **NO PARKING** on the North Side of Assiniboia Avenue (by the town shop).

This will guarantee an unobstructed exit for the emergency services for the Cupar Fire Department.

Many of our residents have been asking about our bylaw officer. Here is a little information about what he is doing in Cupar.

We will be having weekly visits from our officer to help keep our town clean, healthy and safe.

-Bylaw Enforcement's role is to promote, facilitate and enforce general compliance with the provisions of our towns bylaws that pertain to the safety and security of the community.

Bylaw Enforcement Officers are responsible for:

- Working with residents and community groups to resolve issues through education and enforcement to achieve bylaw compliance
- Investigating property complaints
- Coordinating investigations with internal and external enforcement

Do you have Facebook? Be sure to follow the page "**Cupar Events & News**" to stay updated on what is happening in our community. Please also feel free to post about any upcoming events in this page!

Utility bills are due at the end of each billing month. Meters are read every 2 months so it is easier to pay for any overages that may occur. Please return water meter reading tags to the town office in person or in the drop box outside the office.

We accept cash and cheque at the office and online payments with your bank.

**Help beautify our community!!**

**Volunteers are wanted for Stanley Street Park maintenance.**

**As a Town we need to find ways to help out and keep our community clean and pleasing. This is a very busy time of year, so any help is greatly appreciated.**

Tax season is here and all Tax notices have been mailed out. The taxes provide money to the town to ensure your services are taken care of – such as grass cutting, snow removal, tree trimming, building maintenance, pool care, sports ground/ camping site maintenance, etc., etc., etc.

The town does offer incentives to keep some of that money in your own pocket by way of discounts on the Municipal portion if paid in certain months.

**July & August – 5% discount**

**September – 4.5% discount**

**October – 4% discount**

**November – 3% discount**

Once those months are gone and we roll into the New Year you will start to accumulate interest so why not come in early, pay them off and save some money.

That little bit is always better in your own pocket.

The Town of Cupar is offering Bronze Medallion/Cross crash course as well as a NLS course this summer. We still have a few spots available! Please register at the town office to secure your spot! Register for bronze crass course by 4:30pm on Wednesday, July 26, 2017. For NLS by 4:30pm on Friday July 28, 2017.
