St. Paul Lutheran Church

By Diane Dennis

We have had a busy, scrumptious month in November with our Lunch and Bake Sale. Thanks to all who supported us in any way! We celebrated on Nov 26 with our new Adult Confirmand Silvia Virgilio, and the ladies' group put on a lunch in her honor. Thanks to all who cooked and baked and participated in any way on this day!

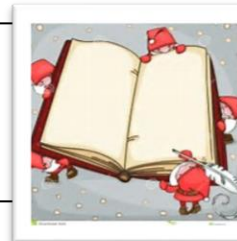

We welcome the community's ladies to our Advent Baking Exchange on Mon Dec 11 @ 7 pm. Bring a container of 36 pieces of a baked item plus an empty container to fill with others' baked items! There will be a brief devotion upstairs followed by the exchange and fellowship and more food downstairs!

Confirmation classes end for the year on Wed Dec 13 and we welcome our youth back in January. Enjoy the break! Our Quilting Group will begin to meet Mon Jan 15 @ 7 pm. Don't sew? Come out for a visit!

Our Christmas Worship Schedule is: Sun Dec 24 (Christmas Eve): NO Sunday morning service BUT Service is at 7:30 pm; Christmas Morning (Mon Dec 25) Service is at 11 am with Holy Communion. Otherwise, our Worship Service schedule is at 9 am on the 1st, 3rd, 5th Sundays; 11 am on the 2nd Sunday with Holy Communion. We look forward to the decorations that will be set up by the Altar Guild! Thanks to all who help in any way to beautify, to clean and to maintain our church and grounds. We at St. Paul wish you all a Merry Christmas and a Blessed New Year!

Cupar Public Library

By Diane Dennis

Thanks to all who have been supporting Silvia and the Library during her cultural presentations. The "Argentina" presentation in September saw 38; the "Australia" presentation saw 43 and we had 46 for the "New Zealand" presentation! Thanks to Mayor Boha for his projector, as well as to Silvia's right hand assistant Kelly Findling! We are going to see what else she can present and "cook up" for us next year!

We have started a mini Christmas raffle of a shadow box – tickets are \$1 each or 3 for \$2. Tickets available at the library on open days and the draw is for Dec 22. We will be closed during the Christmas week (last open day for 2017 is Fri, Dec 22 and reopening Jan 3/18, so come in for your Christmas reading before the holidays!

Looking ahead...our Valentine Tea + Bake Sale + Toonie Prize Trail will be on Sat Feb 10 from 1-3:30. We ask that our patrons and community support us in this activity and fundraiser. Mark this on your calendar!

If you are a new parent, then please visit us for a free book as a gift from us to your child. Library cards are free to those 5 and up; there is a computer available for public use at no cost. Our open hours are Wednesdays and Fridays from 10:30-5. We thank our guest librarian Mary for her time and service here during Ann's recovery and we welcome Ann back on Dec 6!

Town of Cupar Water Meter Replacement Project

Your water meter is getting an upgrade.

The Town of Cupar is modernizing its water system infrastructure to provide the community with better water conservation and leak detection, as well as reduce the cost of operation.

As the Town of Cupar's authorized installer, CORIX Water Products will be replacing residential and commercial water meters throughout the Town. Existing water meters will be exchanged for new ultrasonic Badger meters and Orion LTE Radios, with benefits including accurate meter readings, leak detection, and a compatible app to track daily usage.

Stay tuned for more information on the project.

CLOSED FOR THE SEASON.

Ball Diamond Project Update

The Cupar Ball Diamond Project Committee would like to share with everyone a list of work that has been completed or under construction on the South Diamond.

- Wooden fence and dug-outs dismantled
- Right field culvert installed for proper drainage
- Clay and Top Soil placed over culvert
- Dug-out floors framed and concrete slabs poured.
- 2"x 2" squared tubing purchased to frame dug-outs
- New fence and posts purchased with installation planned in spring
- Infield preparation

The committee would like to thank all those who have donated to the project. Your generous contribution has allowed us to begin upgrading the south ball diamond.

We would also like to wish everyone a Merry Christmas and all the best in the New Year.

Cupar Fire Department

By Chief Chris McLeod

Season's Greetings to all members of the Cupar Fire Department, their families and the community. With the dedication of our members and the support of our community it allows me a moment of reflection on the positives we have experienced this year.

A safe and healthy community is something we all want to enjoy. Please don't leave candles unattended, keep live trees watered and remove them when signs of drying out are evident- a dry tree burns extremely fast. Also, please don't drink and drive and let's keep the members of the Cupar Fire Department where they belong, at home with their loved ones. During this festive season remember what's truly important and enjoy the season. From my family to yours, have a Merry Christmas and Happy New Year.

Chris McLeod
