St. Paul Lutheran Church

By Diane Dennis

A Blessed New Year to all from all of us at St. Paul. As we look back on our activities of spiritual growth and fellowship programs, we are reminded of how truly blessed we are here in Cupar. And we will continue to share our blessings with those in the community near and far. Thank you to those who beautify and clean our sanctuary, building and our church grounds all year.

Our Ladies' Bible study group (LWMLC) meets on Mon Jan 8 @ 7:30 pm, and our Quilting Group will start meeting on Monday nights at 7 pm afterwards. Anyone in the community – with or without sewing experience – is welcome to join in the fellowship of the evening as we make blankets for Regina's needy families. Come out to cut, iron, sew, tie or just plain visit! We would also like to thank all those who attended or participated in our Advent Baking Exchange this year, which saw 17 ladies with many different kinds of baking! A lovely evening was enjoyed by all.

Confirmation classes restarts on Wednesdays @ 4 pm, starting Jan 10, for our 5 youth catechumens who are in their 2nd and final year, looking at a Confirmation date for spring.

Our FaithLife Chapter will host a Valentine or "Love Sunday Brunch" on Sun Feb 11 after the Worship Service at 11 am. Coffee Hour continues after the 9 am service, usually around the first Sunday of the month. Proceeds go towards church projects.

For any office inquiries, please contact the office at 306-723-4899. You are welcome to attend our Worship Service schedule which is as follows: 1st, 3rd, 5th Sundays at 9 am; 2nd and 4th Sundays with Holy Communion at 11 am.

Cupar Public Library

By Diane Dennis

Happy New Year! We are continuing to plan events and programs to serve you – our community – and we welcome you and your ideas. Thank you to our board of volunteers and our librarian for your dedication and work and, to our community for the support. Looking back, we hosted an author visit, Children's Summer Reading Program, 3 multicultural presentations, Open House/Paint Nite/Halloween Costume Exchange, Playschool visits/parties

This is our 50th year as a library and we are planning our anniversary for the spring, as well as author and cultural presentations.

Immediately, however, we are planning our annual Valentine Tea + Bake Sale for Sat Feb 10 from 1-3:30, with a Toonie Trail of prizes; a \$2 admission includes coffee/goodies and a door prize entry. We ask the community and especially our patrons to donate a baked item for the bake table please.

Library cards are free to anyone over the age of 5; we have a computer that is free for use to the public as well as Wi-Fi. New parents are welcome to come in and sign up for a free baby book gift from us. We carry newspapers and magazines for even browsing through. We are open Wednesdays + Fridays from 10:30-5, and can be contacted by phone (306-723-4749), email cupar@parklandlibrary.ca and are located in the Legion Hall at 217 Stanley (main) Street.

Town of Cupar Water Meter Replacement Project

Your water meter is getting an upgrade.

The Town of Cupar is modernizing its water system infrastructure to provide the community with better water conservation and leak detection, as well as reduce the cost of operation.

As the Town of Cupar's authorized installer, CORIX Water Products will be replacing residential and commercial water meters throughout the Town. Existing water meters will be exchanged for new ultrasonic Badger meters and Orion LTE Radios, with benefits including accurate meter readings, leak detection, and a compatible app to track daily usage.

Stay tuned for more information on the project.

Cupar Fire Department

By Chief Chris McLeod

Well, we made it through another year! 2017 gave us all challenges as well as joy but I hope we have all prepared for the New Year. January 2018 is the start of our fundraising for a field fire truck. This unit is very expensive but once we reach our goal it will be at a valued resource for the community and surrounding area for years to come.

With the changes in our environment and the increased risk of a wild fire, the Cupar Fire Department will need to retool to be able to respond more efficiently to the wildfire threat. Remember, having the proper tools to do the job is a small portion, it is our members that would be on the frontlines fighting this threat that would use these using these tools. We will be hold different events over the year to fund raise for this, other equipment improvements as well as training. Please watch for announcements and thank you so much for your past support. We truly hope we will see all of you attending our events and showing the same support next year to help better our department for everyone's safety.

Thank you again and Happy New Year!

The Cupar Fire Department will be selling 50/50's at the Cupar Canucks Senior Men's Team home games for the remainder of the 2017-2018 season.
