

CUPAR LIBRARY – GRANT RECIPIENT OF THE LATE DR. MAXWELL MADDIN

## Cupar Library

by Diane Dennis

The Kids' Summer Reading Program has started. Children ages 3-16 are welcome to come into the library to register and receive a free activity book which will keep track of the books you read over the summer. Return the logbook by Aug 19-26 to receive a \$5 coupon from High Plains Restaurant. Thank you for supporting the library and our local businesses, as well as improving your reading skills and interests. Also, if you have a newborn, then please register at the library for a free baby book gift!

Cupar Library was surprisingly and secretly selected as a grant recipient in memory of the late Dr. Stuart Maddin. He lived here in the 1920s to mid-30s as the son of a pharmacist, Dr. Maxwell Maddin who then sold his business to Dr. Stuart and then moved to Vancouver. Dr. Stuart Maddin became a world famous dermatologist and traveler, and died at age 95 last year. His colleagues chose Cupar Library because of the stories and memories he shared of his early childhood experiences here, and how his path in life was enriched by reading books from the library. A delegation of his colleagues were attending a medical convention in Saskatoon from June 22-26, when 5 decided to travel to Cupar and look up his home and the library on June 24. The

board held a welcome lunch, and the delegation presented them with a cheque and stipulation that it is only to be spent on furthering the education and health resources of the library for the community, such as health/science/technology books and presentations. As well, two of Dr. Maddin's books were donated – his memoirs and a dermatology book. Once they are barcoded, then they are available to the community for use. We thank the Cipher Pharmaceutical Company and Chronicles Company and Linacre's Books for their thoughtfulness and generosity. Thanks to all Library Board Members for their fast work in putting the lunch together, and to Mayor Boha for his support! Ideas for books and presentations are welcome through the Cupar Library.

Our open hours are Wednesdays and Fridays from 10:30-5, and our phone number is 306-723-4749. Library cards are free to anyone over 5 years of age; a public computer is available for free use too.

We thank the Town of Cupar and its workers for the wonderful job they did to fix up the front of the building's lawn. Thanks to Vera Rakai and her daughters Diane and Monna for the beautiful flower displays.

# Cupar Playground and Pool Project

by Jessica Pearce

The Cupar Playground and Pool Project Committee would like to take this opportunity to thank everyone for their ongoing support to our projects. Our committee has decided to take a step back from our fundraising efforts with the completion of major projects in the playground and pool area. We thank our sponsors and community for their support!

We would like to update the community on the recent funds donated. A \$20,000.00 donation to the pool deck project and a \$13,000.00 donation to purchase a new pool deck shed, installation costs of the new pool tarps, installation costs of the boiler room doors, the purchase and installation of new pool ladders and the purchase of additional shredded tire for the playground.

The Cupar Playground and Pool Project Committee since foundation in 2013 has donated a total of \$90,000 towards the construction of the new playground and renewal project of the pool area.

Thank you! And if you have any questions, comments or concerns contact me, Jessica Pearce, at [cuparplaypool@gmail.com](mailto:cuparplaypool@gmail.com)

## Jason's Sewer

Sewer troubles? Call Jason's Sewer

Jason - 726-7749 or Peter 529-8676

They will help with any sewer issues you may have.

### Transfer Site

The Cupar Transfer Site is now open Saturdays from 10 am to 2 pm. Cash is due on site and you will have to provide your name and street address as this is a site for local Town of Cupar residents only. For fees or costs visit our town website at [www.townofcupar.com](http://www.townofcupar.com) or call 306.723.4324.

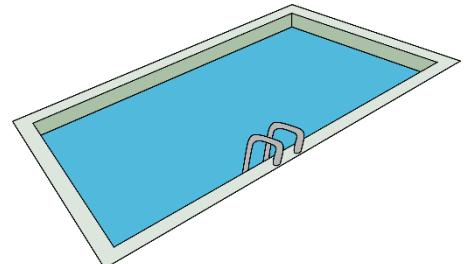

## Parking

Parking on the streets is only allowed for 24 hour periods and then the vehicle has to be moved.

Complaints have been received for camper trailers and vehicles that have been parked for an excessive amount of time. To ensure you do not receive fines, please move your vehicles to a proper location to be stored when not in use.

We do have areas that are deemed NO PARKING ZONES and we further ask you to adhere to these laws.

## Swimming Pool

The Cupar Swimming Pool will be open July 2<sup>nd</sup> at 1:00 pm to 8:30 pm. This is the beginning of our 2016 summer season so come on out and see all the upgrades we have done at the pool. Work is almost complete and will be ready for our opening date!

Thank you to everyone who contributed to make sure our pool is here for many more years for families to use and learn water safety. It is a huge asset for our town and everyone along Highway 22 and further.

*Q: What kind of exercise do lazy people do?*

*A: Diddly-squats.*

## TRANS CANADA TRAIL

### NEW TRAILS UNDERWAY

The Trans Canada Trail is opening new sites and is presently under construction around the Fort Qu'Appelle Area.

The Trans Canada Trail is one of the world's longest networks of trails, developed and promoted by a non-profit registered charity.

When completed, the Trail will stretch nearly 24,000 kilometers from the Atlantic to the Pacific to the Arctic oceans, linking Canadians in close to 1,000 communities.

Today, over 18,000 kilometers of Trail have been developed. Millions of Canadians and international visitors are using the Trail to hike, cycle, ski, horseback ride, canoe and snowmobile. The Trans Canada Trail offers countless opportunities to explore Canada's diverse landscapes and rich history.

# Cupar United Church

By Ed Lehman

June 26th Cupar - The pews of the United Church of Cupar were filled today; the multi-generational gathering included friends of the church from Southey, Regina, Saskatoon, and British Columbia. Quite a few of the speakers were holding back tears as they recalled the good times and significant events they shared over the years at the church. The service was full of thanks - to God and the many individuals who served the church congregation in many ways.

While there was sadness that this was the final service of the church, there was also gladness that the church will not be bulldozed - the building is to be re-purposed to become an artists' studio and residence. Members of the Cupar church will be welcomed into the Southey congregation. The offering of this last service was donated to the Regina Anti-Poverty Ministry. We wish Reverend Danna Armstrong all the best in her retirement and thank the supporters of Cupar and District United Church for their many contributions to our community.

## St. Paul Lutheran Church

by Dian Dennis

Our Worship Service schedule continues over the summer as: 1st, 3rd, 5th Sundays at 9 am; and 2nd and 4th Sundays at 11 am with Holy Communion. There aren't any Coffee Hours scheduled, but our sister congregation in Southey is having their annual Beef Pit BBQ at the Southey Rink on Friday, July 8 from 5-7 pm. Tickets can be purchased at the door. Also, our annual Cemetery Service will take place this year at the old North Cupar cemetery on Sunday, July 24, at 11 am, with a BBQ lunch sponsored by the FaithLife chapter of St. Paul. Bring a lawn chair and hat for the service.

KIDS...there is a fun and great summer camp for you at Camp Lutherland, north of Fort Qu'Appelle. Swimming, hiking, canoeing, crafting and games are offered to you, while learning about God's love for you. There is a Kids' Camp from July 10-14 and a Youth Camp from July 17-21. Inquiries and registration forms can be directed to the church office at 306-723-4899, or visit the Camp Lutherland website.

### FUNNY!

Bifocals are God's way of saying, "Keep your chin up."

# House Numbers

It has been brought to our attention that not every house in Cupar has numbers displayed. As per Bylaw 15-2010 –“A Bylaw to Provide for the Numbering of Houses and Other Buildings”.

This is to ensure all emergency vehicles and services can locate you in an emergency.

Can you imagine if you called the ambulance and they couldn't find where you were? That would be devastating! All it takes is a simple posting of your house number on the front of your home or business and the emergency services can find you.

Why not do this one thing to ensure you and your families safety.

**These words are so joining our vocabulary in 2016!**

Many people may not be aware but an ATV (All-Terrain Vehicle) is not allowed to be driven in town or on public roadways. We have had reports this year about adults and children riding erratically on ATV's and motor cross bikes disturbing their neighbors and residents.

Previously we provided a write up by the RCMP in Southey outlining ATV Safety. We have attached it again to this newsletter for your review.

If you see ATV's or motor cross bikes being used without helmets or inappropriately we ask that you report it to the Southey RCMP as they will deal with it accordingly.

We appreciate your understanding and following the rules as we are sure no one wants any trouble or to cause issues with the residents or, god forbid accidents.
