SVFFA Zone 4 Fire Fighter of the Year 2018

On behalf of the Cupar Fire Department we would like to share the achievement of one of our members, Mike Pearce.

Mike Pearce has 9 years of dedicated service with the Cupar Fire Department. During this time Mike has demonstrated his dedication to the Fire Department as well to community. When the community is banding together for a cause Mike is always front and centre offering advise and working hard to make the event a success. The playground committee fund raising for improvements to the playground and Pool, being an assistant coach with the Cupar Canucks Sr. Men's Hockey team, and giving his time where needed. Anything that improves the community for all the residents Mike is involved. With that said it's an honour that Deputy Chief Mills and I have been given the opportunity to present Firefighter Mike Pearce with the SVFFA Zone 4 Firefighter of the year award for 2018. Congratulations Mike, it's a honour to stand beside you.

The requirements for this award are, attendance to meetings, training and fire calls. Be in good standing with the Department and community. Volunteer outside of fire department activities. With 41 departments in Zone 4 this is not a easy task obtaining this award.

Interesting..... 🤔 **PLOGGING!!**
Submitted by Linda Adam

I read about an interesting concept that originated in one of the Scandinavian countries called "plogging".

It began with a small group of joggers & runners. Along their paths they noticed wrapping papers and other garbage which to them was rather insightly. Together they agreed to become proactive and equipped themselves with small garbage bags and gloves. They then began to complete their walks and jogs. Along the way they stooped to pick up garbage and continue on getting ever more exercise while running/jogging and bending and stretching.

This idea of plogging has been catching on world-wide. Wouldn't it be great if we, as citizens of our town, joined that movement.

Plogging has it's merits in a cleaner town and acquiring more exercise.

Let's all become Ploggers as we plog along.
