Thank-you to all who supported us during our Library Week activities. We thank the Saskatchewan Library Association for the grant that helped us put on the Open House (coffee/goodies), and the Paint Nite (22 attended and thanks to Kim Macknack for leading this successful activity in our community!). Many thanks to all donors for the costumes and accessories for our (1st) Kids' Halloween Costume Exchange, however only a few came by so we are disappointed that this activity didn't go over well here. The door prize of a pumpkin and gift card was won by Carol Mackniak.

Silvia Virgilio is planning a "sweet" evening for her "Australia" presentation on Friday, October 27 @ 7 pm at the Library/Legion Hall. Thanks to all for the support. Her "New Zealand" presentation will take place on Friday, Nov 24 @ 7 pm. All presentations are free to the public. The Australian presentation saw 42 people attend and enjoy the treats. Again, thank you for the participation and support.

Stop in and visit with our guest librarian Mary Staruiala, while Ann is recovering. We have baby book gifts for those with newborns – just stop by and ask for one! Our open hours are Wed + Fri from 10:30-5. You may contact us at 306-723-4749, or by email [cupar@prakland.lib.sk.ca](mailto:cupar@prakland.lib.sk.ca)

# Cupar Fire Department

By Chris McLeod

Hello Cupar Neighbors,

I want to introduce myself and say thank-you for all the support that the Cupar Fire Department has received. My name is Chris McLeod, I have been the Fire Chief since September 2017. Everyone I have met has been welcoming, encouraging and the offering of support has been humbling. I am truly grateful for the support.

The main goal of the Cupar Fire Department is to educate the residents of the community and surround RM. Responding to the needs of the community while displaying professionalism and excellence in the Fire service delivery.

We recently presented to grades kindergarten to grade 3. We discussed fire safety, learn not to burn, plan 2 ways out of your home during an emergency and what to do when needles are found. (See pictures on next page). I encourage you to ask questions if you have any please contact myself or any member of the Cupar Fire Department. In an event of an emergency please remember to call 911.

Again, it is my pleasure to serve the members of the Fire Department and the residents of our community and the surround RM.

On November 11<sup>th</sup> please attend the service at the Town Hall and show gratitude for the ultimate sacrifice our men and women have made that allow us to have the freedoms we have today. If you are unable to attend please take a moment of silence at 11:00am, to reflect on what we have, We need to ensure that we will never forget those who gave all for us.

Thank you,

Chief Chris McLeod
