Cupar Legion

Cupar Legion Park Updated

If you have been by the Legion Park lately, you will notice that some updates have been made to it. We have replaced the crumbling sidewalk that surrounds the Cenotaph, updated the entry gates and given the flag pole some TLC. The sidewalk is greatly appreciated, especially by the Plus 50 members who use it on a regular basis.

Thank you's go out to those organizations and individuals who donated to this project. Locally, the Library Board, the Three C's Club, the Town of Cupar, the Cupar Lion's Club, the Cupar Museum, the Legion Poppy Fund and Allen Bonish each gave generously to this project. We also received a grant from Veteran's Affairs to upgrade our cenotaph.

Thank you's also go out to the guys who generously donated their time and muscle to this project! Our Legion members, led by Larry Wagner, provided most of the labour, but special thanks must go out to Allen Bonish who did all of our metal work and Dale Nistor who pitched in with the physical labour. Check out the improvements next time you are by the Legion Hall.

Poppy Campaign

The Legion's Poppy Campaign has begun. The purchase of wreaths and poppies go a long way in supporting veterans in our province. The funds are used exclusively for programs that benefit veterans directly.

If you would like to purchase a wreath or cross to remember a veteran in your family you can do so by contacting Larry Wagner or Mike Lorencz. These wreaths are laid by the cenotaph during the Remembrance Day Services.

The lapel poppies will be available in late October in various businesses in town. Thank you for your generosity in supporting Veterans.
