Shalom Family Picnic

by Paula Macomber

Shalom had their annual Family Picnic on July 27th where they welcomed 189 family members and guests of the residents of Shalom. It was a beautiful day of sun and calm evening to host this annual event.

Thank you to the Town of Cupar and to those who live across the street from us as we closed off the street at noon so we could set up tables in the shade under the tall pine trees.

Everyone enjoyed a wonderful supper and fabulous entertainment by The Celebration Singers from Regina.

Nothing beats time spent with family and friends and the evening was full of stories and

laughter from everyone in attendance.

There was a raffle for a Rider Jersey and Football and we would like to congratulate the winners:

Rider Jersey – Rita Grant

Football – Lorraine Fensom

Thank you again to all who attended and we are already looking forward to next year!

We would like to mention we are looking to place ceiling lifts in all the rooms and donations will be gladly received and can be brought directly to Shalom.

We are about ½ way to our goal!

Shalom Family Picnic

Enjoying family and fun.

Cupar Library

First, we send our deepest condolences to honorary board member Helen Kovach in the sudden passing of her step-sister and author Helen Kish Hastman. You may recall that we had her present her autobiographical memoir "Displaced Person" last year. She was recently in town to book another presentation next year. Our sympathies to her family.

Kids and Parents...bring in the reading logbook as soon as you can from the Summer Reading Program so you can receive your \$5 coupon to High Plains Restaurant! Thank you for your participation!

We are looking for a bench or 2 to place in front of the Legion Building/Library for those who wish to sit outside to read. If you have one and would like to donate it, then we welcome it.

Our board members will gather on Tues., Sept 6 for our planning meeting. All interested persons are welcome to attend at the library for 6:30 pm. Events and resources will be our priority.

Library cards are issued free to anyone over 5 years of age. There is a public computer that is free to access. We are open Wednesdays and Fridays from 10:30-5 pm, and our contact numbers are: (ph.) 306-723-4749 or cupar@parkland.lib.sk.ca

Parents of newborns are welcome to stop in and register your baby for a free baby book gift.

LIBRARY FUNNY!

A man walks into a library and asks for a pint of milk. The librarian says "this is a library!". The man whispers "sorry, a pint of milk please".

Kids are funny!

Back to school! Kids eager to learn!!!!

Back to School

by Wanda McLeod

Oh my Gosh! The kids are heading back to school already?! Where did the summer go!!!!

As the children are 'eagerly' heading back to school, getting all excited about the things they will learn this year to expand their knowledge, we need to be careful as they head to and from their favorite place of knowledge.

Kids in Kindergarten will not be used to dealing with cars, buses and the general activity all around them as they play games and chase each other around. The middle grade kids are happy to be back with their friends and ready to see what they can learn that they may be distracted and the senior kids may now have their license and, who knows, trying to impress another kid down the way. Whether this is all true or not, we do have to be on the lookout for kids that are travelling to and from school or out on their recess break. They may be crossing when they shouldn't or darting out from between vehicles. If we all slow down

around the school zones we can react quicker and ensure everyone makes it to school and home safely.

Please remember, there is no parking on Lansdowne Street right in front of the school. There is a large parking lot that is available for visitors, students and teachers driving vehicles. The bus lanes are just that – BUS lanes.

Let's make sure we keep our next generations safe and ready to learn.

Property Taxes

by Wanda McLeod

Tax season is here and all Tax notices have been mailed out. The taxes provide money to the town to ensure your services are taken care of – such as grass cutting, snow removal, tree trimming, building maintenance, pool care, etc etc etc.

The town does offer incentives to keep some of that money in your own pocket by way of discounts on the Municipal portion if paid in certain months.

July & August – 5% discount

September – 4.5% discount

October – 4% discount

November – 3% discount

Once those months are gone and we roll into the New Year you will start to accumulate interest so why not come in early, pay them off and save some money.

That little bit is always better in your own pocket.

Cupar Pool

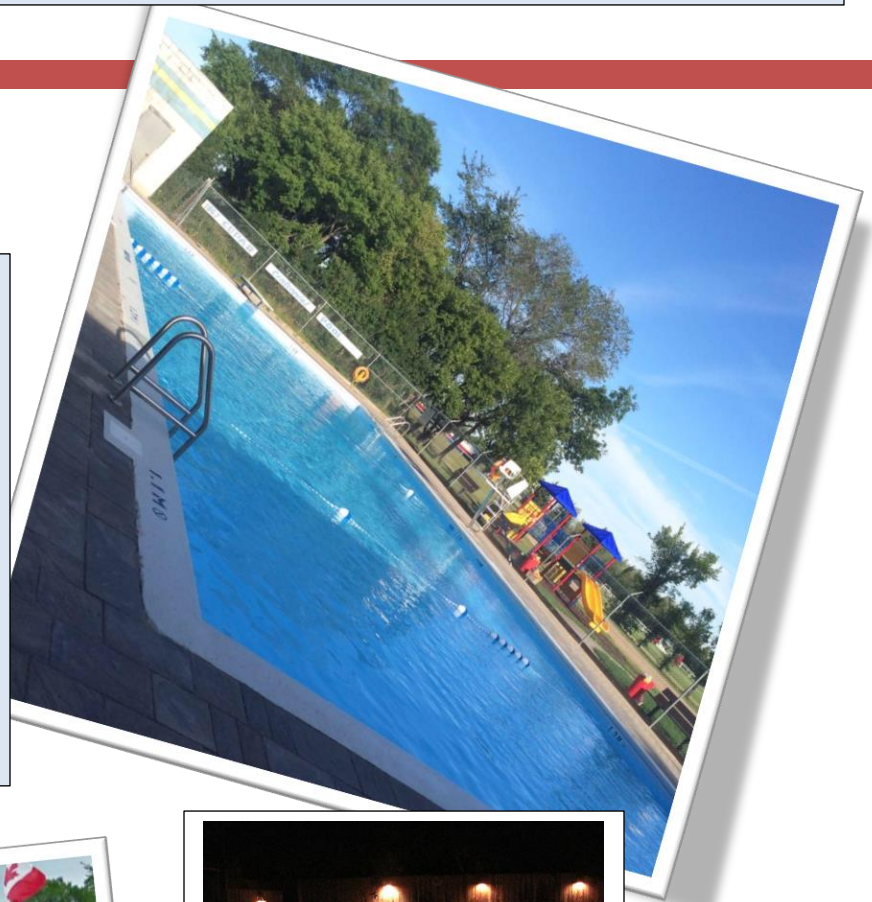

by Wanda McLeod

Thank you to everyone, both patrons and staff, for a phenomenal season. The pool received an extensive upgrade and it was so good to see everyone use the facility. The lessons were a huge hit this year almost completely selling out for each week!

The brick fundraiser was another huge success as we surpassed our goal! Thank you to everyone who donated. Now we are looking at getting the names up for all to see.

The Pool is now closed for the season as the staff is heading back to school.

See you all next year!!!!!!!
