

Old man winter has arrived and Mother Nature has been taking over with all the cold and white stuff. We appreciate your patience as we try to keep up to the cleaning of the streets to make them easier to get around.

In order to do the best we can we are asking the following from our residents:

1. Please ensure your vehicles are parked off the streets during our snow removal time. This way we can clean right to curb and avoid the snow build up.
2. Please remove your garbage bins off of the street as soon as you can after pickup.
3. Do not blow your snow onto the street. This makes it thick and packed and difficult for people to get around between street cleanings.

We ask that you be patient with us during the winter as we are getting to all the areas for snow removal, it does take time and we all know how precious time is.

We apologize in advance if our wind row during removal cause temporary issues but it is a process and will be completed as quickly as possible.

Thank you.

Texas Hold'em Poker Tournament

The Cupar Playground and Pool Project is hosting

**1st Annual Texas Hold'em
Poker night
Cupar Town Hall
February 16th**

Doors open at 6
Poker starts at 7
