a full evening of family
festivities!!**

Snow Removal

Winter has decided to
show its unwanted face
and the snow is coming.

In order to do the best we
can we are asking the
following from our
residents:

1. Please ensure
your vehicles are parked
off the streets during our
snow removal time. This
way we can clean right to
curb and avoid the snow
builds up.
2. Please remove
your garbage bins off of
the street as soon as you
can after pickup.

3. Do not blow your
snow onto the street. This
makes it thick and packed
and difficult for people to
get around between street
cleanings.

We ask that you please be
patient with us during the
winter as we are getting to
all the areas for snow
removal, it does take time
and we all know how
precious time is.

We apologize in advance
if our wind row during
removal cause temporary
issues but it is a process
and will be completed as
quickly as possible.

Cupar Library

We thank the community of Cupar and area for all the support you have given to us this year. We are having a door prize of a donated new purse from Dolly Nameth and candle frames from Helen Tutossi. Please stop by the library to check them out.

We will be closed:

December 20, 2014 to January 1, 2015, re-opening January 2, 2015.

Stop by early to ensure you have your books for over the holiday season.

On Tuesday, January 13, 2015 Marj & Wilf Paidel will cater our Annual Meeting with a delicious dinner beforehand. Library Board members and their spouses are asked to call Marj before January 6. Interested community members are also welcome to come with their support ideas.

On Saturday, February 14, we will host the annual Valentine Bake Sale at the Town Hall. More details to follow but mark this date for your sweet tooth. Funds raised go towards computer maintenance costs in order to be an automated library.

See you all there!!

Cupar Memorial Rink

Another season of skating, hockey and rink burgers is upon us. Nothing beats a rink burger!!!

The Board for the rink and many other organizations need your help. They are actively looking for volunteers to help out in all areas. We have fundraisers, sporting events and many other activities planned for the season but cannot complete them without the volunteers. If you think you can help out in any way by donating an hour or two of your time to keep our small town rink active

we ask that you please contact Corilynn Nakonechny at 306-723-4609 or the Town Office at 306-723-4324 and provide your name and number. Indicate in what area you are willing to help out – the more the better. She will have a more specific list however here are some of the areas help is needed:

- Perogie making
- Door working
- Kitchen help
- Ice cleaning

Without the volunteers helping we would not be

able to operate the facility. Let’s all help out and ensure our rink remains in our community for our children and grandchildren to enjoy and for us as parents and grandparents to be able to go and watch our children get out and enjoy the facility.

Cupar is turning 110 years old!

Cupar is turning 110 years old next year and planning has begun to celebrate on July 4th, 2015. Local groups have graciously taken on many of the tasks and venues that we are planning, yet we still have a few available. If you or your organization wants to be involved in our celebration please contact the office by phone at 306-723-4324 or email townofcupar1@sasktel.net .

There are many other ways people can help out as well as we will be looking for volunteers to work the entry ways, security, serving, bar work etc. If you are available to donate even an hour or two of your time please contact us so we can put you on our list. At this time we are looking at Ball tournament, craft sales/trade show, bingo, kids fun zone, evening beer gardens and dance, strawberry social and museum events, parade, pancake breakfast, etc.

We have other ideas but are looking for a group or organization to head them up as their fundraiser.

Let's make this a date to remember and celebrate our beautiful town and the milestone it is turning.

Look forward to hearing from you!

Age is a number to be celebrated!

Cupar Trade Show

Last Stop Shopping!

Come on down to the Cupar Town Hall

Jason's Sewer

If you have any issues regarding your Sewer we ask that you please contact:

Jason at 306-726-7749

OR

Peter Cell 306-529-8676 Home 306-939-2230

They will help you with all your sewer issues.

Walking at night

The days are shorter and it is dark much, much earlier. Residents are still getting out going for walks so we are asking the public to think of safety while doing so. When you wear dark clothes while walking in the evening light or darkness you are very hard to see. Please ensure you wear some sort of reflective clothing so vehicles can see you in the duller evening light or snowy/overcast days.

Drivers may not see you and we do not want an accident to happen.

Main Street

Main Street has a solid center line and people driving vehicles are not to cross that middle line. We have noticed there has been an increase in the amount of people doing just that. Please do not cross the middle line to park on the other side. Please go the end of the street and turn around so you are on the side of the road you wish to be. This may avoid any tickets you might receive if caught.

Tree pick-up

Beginning next spring, we would like the residents to be aware that when we provide branch pick-up – it is just that - **Branch pick-up**. We do not remove full trees that have been cut down by the owner, nor full strings of bushes that the owner wants removed. We are only picking up pruning branches. If you have a large amount branches/trees you will be required to find your own way to remove them.

FUN FACTS!!!!!!!

1. Hershey's Kisses are called that because the machine that makes them looks like it's kissing the conveyor belt.
2. If you toss a penny 10,000 times, it will not be heads 5,000 times, but more like 4,950. The heads picture weighs more, so it ends up on the bottom.
3. Laughing lowers levels of stress hormones and strengthens the immune system. Six year olds laugh an average of 300 times per day. Adults only laugh 15-100 times a day.
4. A company in Taiwan makes dinnerware out of wheat, so you can eat your plate.
5. A Goldfish has a memory span of 3 seconds.
6. The Germans made the first artificial Christmas trees out of dyed goose feathers.
