## St. Paul Lutheran Church

Through the dreariness of winter, we are busy with many activities. Our Quilting Group has restarted on Mondays from 7-9 pm, and we invite the ladies of the community to help us piece material to make blankets for Regina's needy people. Don't sew? Come and visit!

Our Lutheran Women's Missionary League-Canada (LWMLC) meets the 2nd Monday of the month at 7:30 pm for Bible study and a meeting. We are collecting gently used purses or backpacks or small suitcases and putting hygiene kits together for the YWCA and women's transition shelters of Regina. A Bible verse will be included. Donations of new, travel-sized items are appreciated: toothbrush/paste, comb/brush, lotion/shampoo, deodorant, feminine products, facecloth/towel. Items can be

offering to church and outreach projects.

Confirmation continues for our pre-teens on Wednesdays after school. Adult Bible study takes place on Thurs. Feb 2 + 16, from 7:30-9 pm, and we are finishing the Book of Matthew before Lent starts in March.

Many thanks to our Altar Guild for the beautifully- decorated tree and sanctuary during the Christmas season!

For any office inquiries, please call 306-723-4899. Our Worship service schedule is 9 am on the 1st, 3rd, 5th Sunday of the month; 11 am on the 2nd and 4th Sunday of the month with Holy Communion.

VALENTINES DAY

# Cupar Public Library

by Diane Dennis

Welcome to 2017! We are kicking this year off by displaying the 20 books of Marie Donais Calder's "The Other Side of ..." series. This is a gripping story of her father's experiences as a peacekeeper/engineer in war-torn Germany after WWII. We also have many health books from the Maddin grant to browse through.

Our Valentine Tea + Bake Sale + Tooney Trail will take place Sat., Feb 11, from 1:30-3:30, at the Legion Hall/Library. Admission is \$2 and there will be a door prize involved. Patrons and interested community members are kindly asked to participate in the bake table donations, and to bring the item by 1 pm. All monies raised go towards the \$400 computer bill that we pay for in order to be an automated library.

Ideas for speakers and authors are welcomed. We hope to bring back Leslie Herman for another Holistic Health presentation. Parents of newborns are asked to kindly register at the library for a free baby gift book. We have a computer and printer for public access. All library cards are free to those 5 years of age and older. Requests for books and DVDs and CDs are all free if you are a registered library card holder.

To contact us, visit at 217 Stanley Street (Legion Hall) on Wednesdays + Fridays from 10:30-5 pm, or call 306-723-4749, or email [cupar@parkland.lib.sk.ca](mailto:cupar@parkland.lib.sk.ca)

January and February are known for weather that swings from very cold to very warm. Add in some snow and melting we can come across some very treacherous driving conditions.

PLEASE slow down and drive safe. It is far better to arrive at your location 10-20 minutes late than to not show up at all.

You may not be putting your own life at risk if you don't slow down and drive according to conditions. Nothing is worth getting into an accident over.

**DRIVE SAFE AND SMART!!!!!!**

# FUN FACTS!!!!!!!

1. The most popular theory about Valentine's Day origin is that Emperor Claudius II didn't want Roman men to marry during wartime. Bishop Valentine went against his wishes and performed secret weddings. For this, Valentine was jailed and executed. While in jail he wrote a note to the jailor's daughter signing it "from your Valentine".
2. In Victorian times, it was considered bad luck to sign a Valentine's Day card.
3. You could pop over to Finland where Valentine's Day is called Ystävänäpäivä, which translates into "Friend's day". It's more about remembering your buddies than your loved ones.
4. Many believe the X symbol became synonymous with the kiss in medieval times. People who couldn't write their names signed in front of a witness with an X. The X was then kissed to show their sincerity.
5. In the Middle Ages, young men and women drew names from a bowl to see who would be their Valentine. They would wear this name pinned onto their sleeves for one week for everyone to see. This was the origin of the expression "to wear your heart on your sleeve."
6. Teachers will receive the most Valentine's Day cards, followed by children, mothers, wives, sweethearts and pets.
7. 220,000 is the average number of wedding proposals on Valentine's Day each year.
