Community Garage Sale

by Town of Cupar

Our Community Garage Sale will be taking place Saturday June 4th. We invite all residents to take advantage of the numerous people who will be out and about looking for treasures and make a day of it! Get your balloons out and down size your 'stuff' while you possibly find some new gems!

Make sure you stop by the Cupar United Church for their farewell Fellowship lunch and garage sale that will take place inside of the church. It is their way of saying THANK YOU for the many years of support while they raise funds for the Mission and Service Fund.

Don't Miss out on this community event and get out there and see what you can find to take home and cherish.

A BIG THANK YOU

by Jacky Berting

Thank You Everyone.... for the all the cards and calls of well wishes and for your prayers and the financial support to help me get through this rough patch, it's helping to make this experience more tolerable, lifts my spirits and gives me courage.

There are no words to describe how overwhelming it is to see this generous support that has come in so many ways..... I have shed tears over the big heartedness you have all shown.

I feel so blessed and proud to be part of this community.

Thank You Thank You Thank You.

Big Smiles

by Town of Cupar

Please help us in welcoming our new Mayor by acclamation, Steve Boha. He has entered into this roll until the elections in October. Thank you Mayor Boha and welcome!

By Elections

We will be holding a by Election for the 2 open positions for council members within the Town of Cupar as 3 people have put their names forward.

Running for council are the following people in no particular order:

Heather Stabler

Glenn Janes

Donald Jeworski

The advance poll will be June 16 at the Town Office from 1-4 pm.

Election day will be June 20 at the Cupar Town Hall from 9 am – 8 pm.

Bring your identification as it will be required to vote.

See you all there and good luck to our candidates!

Tent Worms of 2016

So we have all been affected by the tent worms that have happened to move into Southern Saskatchewan with a vengeance and every community has been scrambling to see what we can do to rid us of these pests.

Upon research, numerous phone calls and discussions between communities we have discovered the following:

1. The worms will not kill mature strong trees. They will strip the tree of their leaves but they will grow back. This may weaken the tree a bit as it has to focus its energy on re-growing the leaves but as we have been told, the tree should be okay. Newly planted and young trees may not be so lucky as they don't have the root system to withstand it.

2. The worms have a 2-3-year cycle and we were due for them. With our extremely mild winter they flourished as we did not experience the minus 40-degree temperature for the extended period that is required to kill the little buggers.
3. They will be done shortly when they finally drop to the ground and start to lay their eggs. At this point you can band your trees to stop them from climbing back up for round two.
4. There is a concoction that you can prepare to spray them. In an ice cream pail mix 1/2 cup sunlight dish soap, 1 cup vinegar and fill rest with water.

We all know they are pests that get under our skin but unless everyone in Southern Saskatchewan treats for them we will not be rid of them. We can try to fight them locally and hope for the best.

Cupar Recognition Award

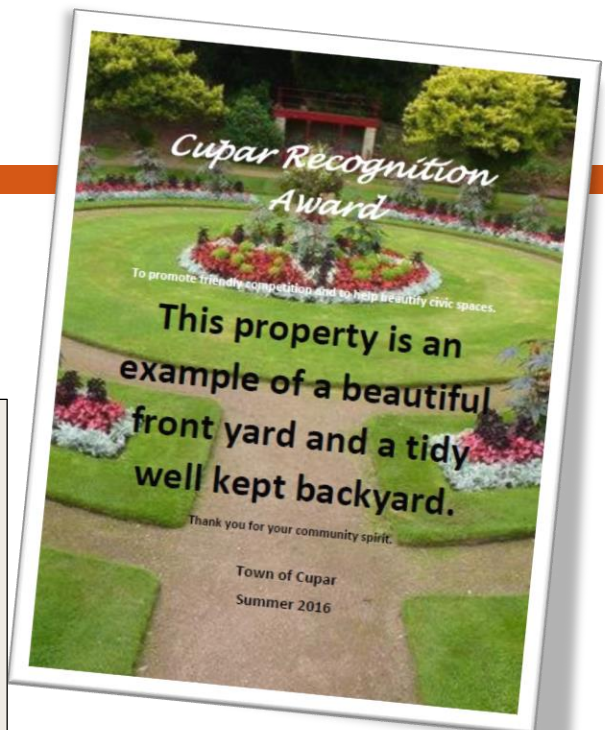

by Town of Cupar

Even though we are being bombarded by worms this year we know there are people who take care of their yards so we are beginning to promote those who give that extra effort to make their yards a special place.

This year Mayor and Council will be presenting recognition awards to those who do an excellent job of keeping their yards appealing both front and back.

If you happen to be a recipient of this award we ask that you display it proudly as you have stood out in the crowd.

Congrats in advance to the recipients.

Sometimes I wish my dog could talk, but then I remember all the crazy stuff he's witnessed me doing.

SHOW And SHINE

Cupar's 3rd Annual Show & Shine

Cupar's 3rd Annual Show & Shine will be on Saturday May 28th, 2016. It will take place from 11 am to 3 pm on the 200 block Stanley Street.

We will also be hosting the Hooligan's Club from Regina between 12:30 and 1:30 so come on out and see what will be here!

Bring your treasured vehicles and enter your antique cars OR just come to enjoy all the vehicles that will be on display! Proceeds from the barbecue and any donations will be provided to help fight Junior Diabetes.

Cupar Pool

The Cupar Pool will be opening July 2nd for the 2016 season.

Cupar Public Library

By Diane Dennis

Our last meeting before the summer break is scheduled for Thursday, June 9 @ 6:30 pm. Interested community members are welcome to attend and new ideas are welcome. We are in the process of securing more author presentations for the fall, as well as planning our Kids' Summer Reading Program. Children ages 3-16 are asked to sign up at the library for an activity/logbook to keep track of their reading, and then at the end of the summer they return the logbook to receive a prize. We are trying to encourage your child to read over the summer as well as boost our circulation plus help a local business by purchasing the prizes. It's a WIN-WIN-WIN program! Come in anytime this summer to register.

We are looking at purchasing a laptop projector for presentations. It could be rented out to community members for a low rental fee, just as we rent out our Bingo machine and signboard – each for \$5/day.

We are looking forward to the front flower display, courtesy of the Rakai/Kish/Benko family, but probably not until these worms disappear!!

Our open hours are Wednesdays and Fridays from 10:30-5, and our contact information is: 306-723-4749 or cupar@parkland.lib.sk.ca

Visitors are welcome to browse the magazines or surf the 'net – all for free!

St. Paul Lutheran Church

By Diane Dennis

The members of the Lutheran Women's Missionary League-Canada and FaithLife chapter would like to thank the community for their support of our "Missions' Lunch" on Saturday, May 21. The funds raised from our "Soup, Sandwich and Bake Sale" go towards many mission projects such as: financial support for a seminarian; gifts for baptized, confirmed, graduated and newly-married members; Canadian Lutheran World Relief (disaster projects); Souls' Harbour Rescue Mission's meals; Vacation Bible School Northern Ministries by Lutheran Association of Missionary Pilots; altar supplies; congregational devotional booklets, and many more others that come along the way.

The ladies of the LWMLC will be having their wind-up on Mon. June 6 @ 7 pm. Two members will have returned from a mission convention in Dryden and will give a presentation. Dessert will be served, and visitors are welcome.

Once the worms have disappeared off our trees and buildings, a group of ladies will be fixing up our front flower bed to make it into a "Faith Garden". We look forward to tackling this project.

Worship Services are at 9 am on the 1st, 3rd, 5th Sunday of the month; and at 11 am with Holy Communion on the 2nd and 4th Sunday of the month. For any inquiries, please contact the office at 306-723-4899.

Ball Tournament

The Cupar Canucks will be hosting their annual Ball Tournament on July 2nd. To register teams Please call:

Brett @ 726-8120
Matt @ 529-4153
Ashely @ 540-7622

Don't miss out on ball, food and great times!

Cupar Swimming Pool

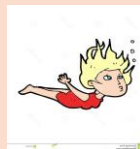

The Cupar swimming pool is getting a major upgrade and everything is coming along right on schedule. A new liner, upgrades to the facility and new deck floor will be ready for our opening day of July 2nd.

We are still fundraising for the bricks so we invite everyone to come on down to the office and donate. Bricks are \$100 each and your name or family name will be displayed on the wall at the pool for years to come. The great thing about donating now is the Cupar Lions have agreed to match all donations made towards the decking up to a maximum of \$10,000! So come on out and make the most of your donation because your \$100 will turn into \$200 for the pool!

Staff has been hired for the 2016 season and refresher training will begin once we are able to attend the pool area.

Make sure you get in to register your children for our lessons this year! We are offering four 1 week sessions so we are sure you can pick a time that suits your busy summer.

See you all at the Pool!

The Royal Canadian Legion, Cupar Branch #217 invite you to attend our annual Flag Day on June 5, 2016 at the Cupar Cemetery at 2:00 pm. On this day we will have a short ceremony followed by the decoration of the graves of our fallen comrades. Come out and support our veterans.

Wounded Warriors “Run to Remember”

The Wounded Warriors have been attending a weekend in Nipawin in the summer for the past several years. This year, with the encouragement of the Lieutenant Governor, a new aspect is being added. In order to continue to raise awareness of PTSD and encourage support for our injured veterans and first responders, a “Run to Remember” torch run will be held.

The kickoff will be at Government House on July 7th and the first leg will be to Southey, where they will overnight. The run then travels down #22 highway, past Cupar to overnight in Ft. Qu'Appelle on July 8th. The run will continue on to end in Nipawin on Sunday, July 24th.

We are looking for participants for the portion of the run that travels by Cupar and to carry the torch if you wish. “Run” is a loose term – you can run, walk, ride, horseback, tractor, motorcycle, quad, or group ride on a flat deck. All that really matters is forward motion. You may want to carry the torch for a veteran, your relative that served, in honour of first responders (EMT, firefighters, police) who also suffer from PTSD because of the nature of their jobs, or just because you support the cause.

Lets show that Cupar cares when this Run goes by our community. They will be stopping here for a refreshment break, sponsored by the Cupar Legion at the sports grounds. More information will be coming out, but we would love to hear from you if you are willing to participate. Contact Wes Bailey
