WALKING AT NIGHT

The nice weather is right around the corner which leads to everyone wanting to enjoy the evening air. We have concerns however, as people have been walking at night wearing dark clothing. This is dangerous as passersby in vehicles have a hard time seeing you. Please wear some sort of bright clothing or reflective attire so we can all see another day of wonderful weather to walk.

The Transfer Site is now open for the season.
Saturday – from 10 am to 2 pm – weather permitting.
Cash payment due on site.

Pets

We have received numbers noise complaints about barking and pet running at large. Pets need to be kept on leashes when walking at all times, kept in the owners yard, respectful to neighbors who may not enjoy the incessant barking and any dropping must be picked up and disposed of properly. If a complaint is lodged you may run the risk of receiving a fine according to our Bylaw 12-008.

Make sure all your pets are properly licensed with the Town Office.
